

Chino Hills AYSO Region 779 Sponsorship Form

AYSO Region 779 is a nonprofit, fully volunteer-run organization committed to enriching the lives of children through youth sports. We proudly serve families across the Chino Hills area by keeping soccer affordable, safe, and accessible for every child.

While registration fees cover a portion of our operating costs, they do not fully fund the equipment, field maintenance, coach training, safety certifications, and community events that make our program exceptional. For this reason, corporate and individual sponsorships are essential to sustaining our mission and keeping soccer within reach for all families.

All donations are tax-deductible.

Thank you for your sponsorship!
